Field Events - Starting at 4:00PM

Each team will be responsible for running a field event fully, including a quality adult to run the event (one who has knowledge of the event) and workers (ideally varsity athletes from your team). Kettle Moraine will supply the equipment needed to run each event, each school just needs to supply the workers. **PLEASE NOTE: Kettle Moraine is on spring break the week of this meet, so it is crucial that you provide workers for your assigned field event in order for this meet to run successfully.**

Field event assignments are as follows:

| | |
|-------------|-------------------|
| Pole Vault | Arrowhead |
| High Jump | Catholic Memorial |
| Triple jump | Waukesha West |
| Long Jump | Waukesha South |
| Shot Put | Muskego |
| Discus | Waukesha North |

Pole Vault Starting height will be 6 feet. We need this event to start right at 4PM

Long Jump and Triple Jump will be 4 jumps and open pit for 90 minutes. One run way per event.

High Jump Starting height to be determined by entries (we want everyone to have a chance to make height). No check out times until down to 8 athletes, then 10 minutes max.

Shot and Discus will be thrown by school with flights, with 4 throws per athlete, with a school responsible for running the event inside that flight...we will be running 1 shot put and 1 discus circles, so coaches should be able to rotate with their teams.
